

Non-Alcoholic Drinks

Mocktails

Sweet Sunrise £6.95

The sweet sunrise is an excellent breakfast, brunch, or afternoon drink that skips the liquor of a very popular cocktail. Also called the virgin sunrise, it is nothing more than a tequila sunrise; hold the tequila. Grenadine adds a great contrast to fresh-squeezed orange juice to give the ideal sweetness.

Virgin Mary £6.95

It has all the spice that makes the Bloody Mary great, but there's no vodka. Use fresh tomato juice if you like, or pick up a bottled version and have fun customizing the recipe to suit your taste. You can also keep a pitcher in the fridge for a quick drink.

Piña Colada £6.95

A Virgin Pina Colada with an orange slice on the rim

Fire up the blender and create a virgin Piña Colada! This made-from-scratch recipe uses just three ingredients: pineapple juice, cream of coconut, and ice. It's a fabulous tropical smoothie with a taste that outshines any nonalcoholic Piña Colada mix you can buy at the store.

Sweet Pepper Spritzer £6.95

Sweet Pepper Spritzer Mocktails in glasses

The sweet pepper spritzer is a zero-proof cocktail recipe with a most unusual and intriguing flavor. Featuring red bell pepper and basil, it's a savory, lightly sweetened, sparkling drink that is a fantastic refreshment on warm days.

Cinderella £6.95

A Cinderella Mocktail with a pineapple and orange slice on the rim.

As lovely and innocent as its namesake, the Cinderella is a sweet, fruity drink with a wonderful flavor. This recipe combines equal parts of lemon, orange, and pineapple juices with a little grenadine for sweetness. Top this off with ginger ale and a sparkling beverage is yours to enjoy.
